Programme: DIPLOMA IN MECHANICAL ENGINEERING (9209-01)

Part-time/Full-time: 4 Saturdays per month/ 4 days per week

Description:

The Programme has been designed to enable you to reach the following outcomes:

Mechanical Engineering

Provides more practice involving a broader range of skills appropriate to a person who may be on a supervisory or management level or who is proceeding into higher education.

Admission requirements:

Successful completion of Level 3 or any equivalent qualification

Semester 1

Engineering Mathematics (unit 401)

Quality assurance and control (unit 403)

Electrical Principles for Mechanical Engineering (unit 428)

Engineering fluid mechanics and thermodynamics (unit 430)

Engineering planning and scheduling (unit 405)

Material engineering (unit 432)

Semester 2

Statistical Analysis for Engineers (unit 406)

Principles of Mechanical Engineering (unit 429)

Maintenance of engineering systems and equipment (unit 418)

Planning and implementing change within businesses (unit 421)

Developing business improvement plans (unit 427)

Duration:

DEPENDANT ON ENTRIES

Diploma: 1 years

Course Fees (R 35 000 per year).

No additional Costs. All costs contained within the course fee

Certification:

On successful completion of the full programme, the student will receive a City and Guilds certificate.

City & Guilds is a globally recognized and respected awarding organization and serves as a benchmark for educational quality.

Why attend

City and Guilds award certificates to people who have shown they have mastered skills that are based on excellent standards set by industry. City and Guilds international provides a particular service to customers around the world who need high-quality assessments and certification.
