AFRICAN ACADEMY

# FACT SHEET

**Skills Programme: Project Manager**

**Part time: 4 Months**

**Description**
Project Managers are the people in charge of a specific project or projects within a company or a government entity and any small- or large-scale development project requires high-quality project management skills. The need for a qualification that will serve as a competency framework for the development of project managers is identified by several key government strategic frameworks and policy documents. Project Managers, however, can work in a variety of fields, from Information and Communication Technology, Human Resources, Advertising, Marketing, Construction and more.
